Young ASOSAI Excellence Program

30 October 2026, Beijing

Invitation to the Young ASOSAI Excellence Program 2027

Dear Colleagues,

The Strategic Plan of ASOSAI 2022-2027 points out that young auditors are of great importance for the sustainable development of the audit profession, and that ASOSAI plans to establish a platform for young auditors of member SAIs, aiming to nurture and develop young audit professionals with cutting-edge expertise and glocal visions.

To this end, the National Audit Office of China (CNAO) launched in 2025 the Young ASOSAI Excellence Program. Looking to the future development of the international audit profession, the Program aims to provide young auditors from the member SAIs of ASOSAI with an international platform for exchange and cooperation to broaden horizons, share knowledge, enhance capabilities and build friendship.

I am delighted to inform you that CNAO will host the second Young ASOSAI Excellence Program in **Nanjing and Hefei, China, from 27 March to 2 April 2027**. I sincerely invite your SAI to nominate **one** young auditor representative to attend the Program.

The theme of the Program is ***"Technological Innovation in Audit Practice."*** The participating young auditors will hold discussions on this theme and share case studies of using technological innovation in audits they participated in.

The international travel expenses of the participants, as well as their accommodation and meals in China during the Program, will be covered by ASOSAI and CNAO.

Please find attached the general information, tentative agenda and registration requirements of the Program. Should your SAI wish to send a participant, please have the participant register online via this link and submit required materials no later than **18 December 2026**.

Should you have any questions about the Program, please do not hesitate to contact the YAEP Secretariat (email: secretariat@yaep.cn).

I look forward to welcoming young auditors to China in 2027.

Sincerely yours,

Hou Kai
Auditor General
National Audit Office of China
